*****Eligibility for broodmare residency shall be achieved by meeting at least one of the following rules:**

1. Thirty days' residency until the foal is inspected by a department inspector, if in foal to a Registered Iowa Stallion.
2. Thirty days' residency until the foal is inspected by a department inspector, for broodmares which are bred back to registered stallions.
3. Continuous residency from December 31 until the foal is inspected by a department inspector if the mare was bred by other than an Iowa registered stallion and which is not bred back to an Iowa registered stallion.

The one-time broodmare registration will cover the mare her entire productive life as long as there is not a change of ownership (at which time a mare transfer form must be completed) and she meets the aforementioned eligibility rules.
