

Veterinary Inspection Form

For Animal Shelters, Commercial Breeders, Dealers, Public Auctions, Pet Shops, Pounds, and Research Facilities

Per IAC 21-67.4(i) Commercial establishments, **excluding commercial kennels and boarding kennels**, shall enter into a written agreement with a veterinarian licensed by the state of Iowa to provide veterinary care for the animals maintained in the facility. The agreement shall include a requirement that the veterinarian visit the facility at least once every 12 months for the purpose of viewing all the animals in the facility, making a general determination concerning the health/disease status of the animals, and reviewing the facility's program for disease prevention and control. If during the course of the visit, the veterinarian identifies an animal that requires a more detailed individual examination to determine the specific condition of the animal or to determine an appropriate course of treatment, then such examination shall be undertaken.

If during an inspection of a facility the department finds an animal which appears to have a physical condition or disease that, in the opinion of the inspector, requires a veterinarian's attention, the department may order that the licensee subject the animal to a veterinarian's examination at the licensee's expense. The department may require the licensee to submit written proof of the veterinarian's examination and results of the examination within a time frame set by the department. (IAC 21-67.4(3)(k)).

Record Retention: This record is to be maintained by the licensee and made available to the departmental personnel, for inspection.
