

2022 Iowa Farmers Market Nutrition Program (FMNP) Vendor Training Schedule

Dear farmers market and farmstand vendors:

Vendors for Iowa FMNP are required to complete training every 3 years. For 2022 the program will be offering seven dates for webinar training from home computers as well as two dates where the webinar will be available at participating ISU Extension Offices. Training schedule and registration information can be found on page 2. In addition to training, vendors must complete an application each year.

For at-home Webinar attendees:

- In order to hear the presenter, you will use your computer's speakers (VoIP). Please make sure your computer's speakers are working prior to the webinar (you can try listening to a YouTube video for example).
- You will receive GoToWebinar confirmation e-mails shortly after registering, 24 hours prior to the training session, and again 1 hour before the session. To join/attend the training session, simply click on the live link provided in any of the confirmation e-mails from any computer (or one of GoToWebinar's free mobile apps).
- Please note: to ensure that you have completed the training, you will be prompted two or three times during the session to send the presenter a typed message and/or complete simple multiple-choice questions. Any questions you may have during or after the training session are delivered to the presenter by typing into a comments box that will be provided on your computer screen.
- Each webinar will last about an hour.
- To begin the free registration, click on the appropriate URL in blue or copy and paste it to your web browser.
