Beginning January 1, 2021, you may be eligible to apply for a fee waiver if you meet the following requirements. This fee waiver will only affect the license/registration fee and does not apply to renewals.:

- 1) An applicant for initial licensure is eligible for a waiver of initial licensing fees if the applicant's household income does not exceed 200% of the federal poverty income guidelines and the applicant is applying for a license/registration for the first time.
- 2) To determine eligibility, you must first identify the number of individuals in your [household](#). Once this is determined, reference the [Federal Poverty Level](#) and identify the income that matches the number of individuals in your household. If your household income, as reported on your most recent federal tax return, is less than the identified value, you are eligible for the one-time fee waiver.

If you are eligible, please answer the following questions:

- 1) Do you wish to apply for a fee waiver? Yes No
- 2) Is your household income less than 200% of the Federal Poverty Level? Yes No
- 3) Are you applying for this license/registration type for the first time? Yes No

If all three of your answers above are “yes”, see below:

- 1) I attest that my household income does not exceed 200% of the federal poverty income guidelines and agree to submit documentation of one of the following to verify my household income:
 - a. If you are married and filed separately, you will need to submit the Federal Tax Return for both your spouse and yourself.
 - b. If you were claimed as a dependent on another person’s tax return, you will need to submit the Federal Tax Return for the tax filer who claimed you as a dependent.
 - c. *Or other that you wish to include*
