RE: Process to complete the official registration of an Iowa-foaled thoroughbred

---

In order to complete the official registration of an Iowa-foaled thoroughbred, a Jockey Club Certificate must be submitted to the Iowa Department of Agriculture and Land Stewardship (IDALS). If your thoroughbred has an electronic certificate, you may submit a printed copy. If all requirements have been met for the foal registration, IDALS will affix its official seal on the face of the certificate and include IDALS' registration number for the horse.

Along with the certificate, you must also include the Application for Iowa-Foaled Status and the \$30 application fee. The application can be found at <https://iowaagriculture.gov/forms-and-licensing>. Click on Horse & Dog Breeding.

If you have any questions, please contact Dr. Katie Rumsey at 515-725-1023 or [Katie.Rumsey@IowaAgriculture.gov](mailto:Katie.Rumsey@IowaAgriculture.gov). You can also call Deanna Poe at 515-281-4103 with questions.
