I WANT THE FREE PLASTIC TAGS

(UP TO 100-determined by the number of breeding animals-for producers signing up for the 1st time only)

I WILL ORDER MY OWN TAGS (Please call an approved tag manufacturer to order and pay for them)

As of August 31, 2019, if you are a new producer signing up for the first time, we can provide up to 100 free plastic tags from Shearwell Data-determined by the number of breeding animals.

We do not provide the applicator/tagging pliers for the tags. Please contact Shearwell Data at (800) 778-6014, email SalesUSA@shearwell.com, or www.shearwell.com for options. You will need your flock ID to order.

We no longer offer free tags to any producer who has ordered in the past. Official plastic or metal tags are available to purchase. To find an approved tag manufacturer to order your own tags, please go to www.aphis.usda.gov/animalhealth/scrapie-tags.
