A licensee is required to comply with the requirements of Chapter 166A and Iowa Administrative Rules 21-66. I certify that the information provided on this application is true and accurate under penalty of law.

21-66.1(6) Bonding requirement. An applicant for a livestock dealer shall submit a bond to the department with the secretary of agriculture named as trustee. The bond shall be payable for the use and benefit of any person damaged as a result of a violation of this chapter. The amount of the bond shall be calculated in the same manner and contain the same condition clauses as required by the United States Packers and Stockyards Administration as adopted in Sections 201.30 and 201.31 of Title 9, Chapter II, of the Code of Federal Regulations. However, a person applying for a permit is exempt from providing a bond if the person can show that the person has a valid bond on file and maintained with the U.S. Packers and Stockyards Administration in an amount equivalent to or greater than that required by federal regulations. (Phone: 515/323-2579)

Chapter 166A—5. “Dealer” means any person engaged in the business of buying for resale, selling, or exchanging sheep as a principal or agent or who claims to be so engaged but does not include employees of a dealer doing business in the name of such dealer or the owner or operator of a farm who exchanges only sheep which have been kept by that person solely for feeding or breeding purposes and does not claim to be so engaged, or as a livestock auction market acting strictly on a consignment basis.

Chapter 166A.2. Sheep dealer license. 1. A person shall not act as a dealer unless the person obtains a license issued by the department. The license fee is ten dollars. A license expires on the first day of the second July following date of issue. An initial license shall be numbered and any subsequent or renewed license issued to the dealer shall retain the same number. An application for a license must be prepared on a form furnished by the department. 2. For good and sufficient grounds the department may refuse to grant a license to any applicant, and it may also revoke a license obtained by a dealer for a violation of any provision of this chapter, or for the refusal or failure of a dealer to obey the lawful directions of the department. 3. Any person who is licensed as a sheep dealer under chapter 172A shall be exempt from this section.
