

Getting Started Using the IDALS Self-service Portal – Commercial applicator renewal by training or testing

For best results use a desktop or laptop computer. You will use your existing certification number (even if it has expired) to sign up. Find your certification number by using the public look up - <https://iowapestapplicators.secure.force.com/lookup>

If renewing by testing, you will need to save your testing verification(s) to your computer. All files need formatted as a .jpg, .doc, or .pdf. Emails can be converted easily by using print to file or print to .pdf options.
