

## NOTICE-TO-BIDDERS

---

**Cal883301A & Cal883220A Nutrient Reduction Wetland Project**  
**Section 01, Township 88 North, Range 33 West & Section 20, Township 88 North, Range 32 West**  
**Calhoun County, Iowa**

Sealed bids will be received by the Iowa Department of Agriculture & Land Stewardship, Division of Soil Conservation and Water Quality (Division), **via the Iowa Management of Procurement and Contracts System (IMPACS)**, until 3:00 PM local time, Wednesday, October 8, 2025. The bid opening, open to the public, will be held through IMPACS at 3:10 PM local time, on Wednesday, October 8, 2025, when bids will be read aloud. Interested parties may call in to hear the bid opening using the Microsoft Teams call-in number: 1 469-998-7627, 38684452#. Bids must be submitted on the appropriate bid forms provided and shall include a bid bond in the amount of ten percent (10%). Bidders must also be registered with the Iowa Department of Inspections, Appeals & Licensing.

### **Cal883301A**

In general, the work includes constructing a wetland that receives water from an existing tile using a pump powered using solar panels. The project includes, but is not limited to, selective clearing, excavation and grading, along with tile and outlet structures, pump installation, county road and culvert removal and replacement, riprap placement, and seeding. This project includes around 15,752 total cubic yards of earthwork, 1,217 linear feet of various tile installation, 158 square yards of PCC pavement replacement, 390 tons of riprap along with 29 tons of Class A Roadsone, 500 linear feet of silt fence, and 14.1 acres of seeding. The project also includes installation of one pump systems with the associated solar panels and controls. The estimated construction cost range for this project is \$300,000 to \$400,000.

### **Cal883220A**

In general, the work includes constructing a wetland that receives water from an existing drainage ditch using a pump powered using solar panels. The project includes, but is not limited to, selective clearing, excavation and grading, along with tile and outlet structures, pump installation, tied concrete block mat and riprap placement, and seeding. This project includes around 1,775 total cubic yards of earthwork, 172 linear feet of various tile installation, 2200 square feet of tied concrete block mat, two concrete structures, 218 tons of riprap, and 14 acres of seeding. The project also includes installation of one pump systems with the associated solar panels and controls. The estimated construction cost range for this project is \$200,000 to \$260,000.

A pre-bid conference will be held at 9:00 AM, on September 23, 2025 at the Calhoun County Extension Service, 325 Court St, Rockwell City 50579, telephone: 712-297-8611. Attendance at the pre-bid conference by prospective bidders is not mandatory but is encouraged.

The Plans and Construction Specifications governing the construction of the proposed improvements have been prepared by Juan Arellanes, P.E., JEO, and are hereby made a part of this notice by reference and the proposed contract shall be executed in compliance therewith. Copies of the Contract Documents, including Plans, Construction Specifications, and Bid Package, are available through the website links:

<https://iowaagriculture.gov/dscwq/requests-proposals> and

In order to be included on the plan holders list, which is required to be able to receive meeting minutes, addenda and an updated plan holders list, interested parties must make a written or verbal request to the Division by telephone: 515-344-6279, or by e-mail: [tracy.bruun@iowaagriculture.gov](mailto:tracy.bruun@iowaagriculture.gov). Bidders who attend and sign-in to the pre-bid conference will be added to the plan holders list. A printed copy of plans and construction specifications can be viewed by appointment by contacting Tracy Bruun, Division ([tracy.bruun@iowaagriculture.gov](mailto:tracy.bruun@iowaagriculture.gov), or (515) 344-6279. Printed copies of specifications and plans will be provided to the successful bidder.

The successful bidder shall be required to furnish a Performance/Payment Bond in an amount equal to one hundred percent (100%) of the contract price.

Questions concerning the Plans and Construction Specifications should be in writing and addressed to Juan Arellanes, P.E., [jarellanes@jeo.com](mailto:jarellanes@jeo.com), and must copy Tracy Bruun, Division, [tracy.bruun@iowaagriculture.gov](mailto:tracy.bruun@iowaagriculture.gov). All other questions concerning other Contract Documents should be addressed to Tracy Bruun, Division, [tracy.bruun@iowaagriculture.gov](mailto:tracy.bruun@iowaagriculture.gov) or 515-344-6279. To be considered in a final addendum, written questions must be received by 3:00 PM on September 30, 2025.

The Division reserves the right to reject any or all proposals and to waive technicalities and irregularities.
